Disposal

Army sappers and Police disposal units are the frontline within the operational forces to face, remove, dispose and react against the increasing threats of IED/EOD. The usage of explosives is widely spread among terror organizations all around the world and endangering public safety and order.

EOD

Explosive Ordinance Disposal

Army sappers and Police disposal units are the frontline within the operational forces to face, remove, dispose and react against the increasing threats of IED/EOD.

The usage of explosives is widely spread among terror organizations all around the world and endangering public safety and order.

Furthermore explosives are widely common within the mining industry and construction of national infrastructure in which the need for disposal is mandatory in cases of accidents or emergencies.
